Lightweight Compact

The Dolphin E10 is a lightweight, compact robotic pool cleaner that expertly cleans your pool floor. With its quick water release and easy to use top-access filter system, you'll find the E10 is the simple answer your pool cleaning needs.

Advanced Pool Cleaning

The Dolphin S100 robotic pool cleaner is lightweight and easy to use, with quick water release and top-access filter basket. The CleverClean™ scanner and active brushing ensures extra-through scrubbing on all surfaces leaving the floor and walls spotlessly clean.

Superior Pool Cleaning

With its ultra-light weight and quick water release, the Dolphin S150 is super easy to handle. Choose between two filtration options to capture rough debris or fine dirt. The active brushing action and PowerStream mobility system ensure efficient pool coverage, with extra-thorough scrubbing on all surfaces.

A New Pool Cleaning Experience

The Dolphin S300i is packed with easy to use functions that can be accessed via the multi-function power supply or the MyDolphin™ Plus app. Set up cleaning programs and control the robot remotely, including manual navigation.

Absolute pool-cleaning performance

Get maximum convenience and control all in one, with the Dolphin S400. With advanced features like manual drive, cleaning programs and delayed start. The multi-layer, top load filter basket has a larger capacity and extra sealing. The MyDolphin™ Plus app, gives you the freedom to control your robot from anywhere at anytime.
